MISSOURI EDUCATORS ONLY

Exciting hands-on instructional units are tightly aligned with Missouri's grade-level and course-level expectations and bring students outdoors and closer to nature.

Discover Nature Schools (DNS)

is science/conservation education at its best. K-12 units include teacher training and grant opportunities for classroom equipment, outdoor classroom materials, and related field experiences. DNS units help students get outside to experience hands-on learning in nature close to home.

● **K-2** unit will be available Fall 2012.

● **Elementary** *Nature Unleashed* unit (grades 3-5) features pond, forest, and prairie ecosystems.

● **Middle school** *Conserving Missouri's Aquatic Ecosystems* unit (grades 6-8) features aquatic ecosystems.

● **High school** *Nature Unbound* unit (grades 9-12) features ecology and wildlife management.

For more information about Discover Nature Schools, visit mdc.mo.gov/15642.

To contact your local Education Consultant, select your county in the "Who's My Local Contact" box at mdc.mo.gov/education.
